AT the Council Chamber at *Kenſington*, the 11th Day of *October*, 1751.

PRESENT,

The Lords of His Majeſty's moſt Honourable Privy Council.

WHEREAS upon Information of the Plague raging with great Violence at Conſtantinople and Parts adjacent, His Majeſty thought proper, by His Order in Council of the Fourth of September laſt, to require and command all Ships and Veſſels that ſhould arrive after that Time from the Levant, to perform a Quarantine of Forty Days in Standgate Creek——And whereas ſome Doubts may ariſe concerning the Extent of the Levant, it is therefore judged neceſſary hereby to declare and order, that the Levant be underſtood in this Caſe (as formerly on like Occaſions) to extend itſelf Eaſtward from the Iſle of Corfu on the Borders of Greece in the Ionian Sea, and from Cape Ruſata on the Coaſt of Barca in Africa. Whereof the Lords Commiſſioners of his Majeſty's Treaſury, and the Lords Commiſſioners of the Admiralty, are to take Notice, and give the neceſſary Directions herein accordingly.

W. Sharpe.

Naples, Sept. 23. The King is determined if poſſible to have the Men of War and Frigats now actually upon the Stocks, launched early in the Spring, for which Purpoſe his Majeſty has given Orders that the Workmen be paid for working all extraordinary Hours. Two of our Gallies, which have been cruizing for ſome Time upon the Coaſt of Calabria, againſt the Barbary Pyrates, are returned into Port, in order to be repaired, having ſuffered very much lately in a violent Storm. The King has appointed Don Mirabelli, to be one of the Judges of the Criminal Court of Juſtice of this Kingdom.

Rome, Sept. 25. The Pope has given M. Maggi Leave to reſign his Employment of Preſident of the Mint, and M. de Bonacorſi is appointed to ſucceed him. Orders are diſpatched to all the Frontiers of the Eccleſiaſtical State, for the late Prohibition againſt ſending of Corn out of this Country, to be ſtrictly carried into Execution. The Collection that has been made in this City, and its Neighbourhood, for the Relief of the Sufferers by the late Earthquakes at Ombria and Ancona, amount to a very conſiderable Sum, the greateſt Part of which has already been remitted to them for their preſent Subſiſtence. They write from Civita Vecchia, that no leſs than twenty Smugglers were ſeized laſt Week in the Neighbourhood of that City, who were all committed to Priſon, and ordered to be proſecuted immediately. The Pope is perfectly recovered from his late ſevere Fit of the Gout, and appears again in Publick as before.

Genoa, Sept. 26. M. Chauvelin, Miniſter Plenipotentiary from France, continues to have frequent Conferences with the principal Members of this Government, in Relation to the preſerving the Tranquility that is ſo happily eſtabliſhed in Corſica. We have juſt received Advice, that a Tuneſian Corſair has taken a Neapolitan Pink in the Sea of Tuſcany.

Leghorn, Sept. 26. The Pope's Gallies, that were drove into this Port a few Days ago by contrary Winds, are put to Sea again, and ſailed for the Iſland of Corſica, where they are to be joined by ſome Genoeſe armed Veſſels that are ordered to go with them on a Cruize againſt the Algerine Corſairs, who appear in great Numbers on the Coaſt of the Eccleſiaſtical State, and greatly interrupt the Commerce. The Maſter of a French Ship juſt arrived in this Port from Tunis ſays, that four large Galliots, and two Tartanes, were fitting out there by Order of the Dey and Regency, and that it was confidently reported they would be ready to put to Sea by the Beginning of next Month, in order to cruize in the Spaniſh Seas.

Warſaw, Sept. 26. All the Accounts we receive from Turky agree, that although the Ottoman Troops, who advanced ſome Months ago into the Neighbourhood of Choczin, Bender and Oczakow, continued very quiet in their reſpective Quarters, yet the repairing and augmenting the Fortifications of theſe three Places were carrying on with great Vigour by the Grand Seignior's expreſs Orders.

Vienna, Oct. 2. Preparations are making at Schonbrun for celebrating the Emperor's Name-Day on Monday next. 'Tis ſaid a Reſolution has been taken to keep 30000 Imperial Troops on Foot in Bohemia, for the enabling this Court to be always ready to fulfill its Engagements with that of Ruſſia. Yeſterday the Court went into Mourning for the Death of the Electreſs of Bavaria, and the young Prince of Eſt, ſecond Son of the Duke of Modena. Her Imperial Majeſty has ſent Orders to the Commanding Officers of her Forces quartered on the Frontiers of Hungary, bordering on the Dominions of the Grand Seignior, to cauſe the Troops under their Command immediately to form a Line, in order to prevent the Plague, which ſtill rages pretty much in ſome of the neighbouring

neighbouring Provinces, being brought into her Dominions. The Empreſs has appointed M. de Cammermayer, to be Governor of the important Fortreſs of Clauſenbourg, upon the Frontiers of the Bannat of Tameſwear.

Leipſick, Oct. 4. According to all Appearance our Fair will be extreamly brilliant this Year, owing principally to the Preſence of their Majeſties, and the young Royal Family, who arrived here laſt Saturday.

Copenhagen, Oct. 4. The Court is ſtill at Friedenſbourg, but their Majeſties are expected here ſome Day next Week. Several of the Nobility, and other Perſons of Diſtinction of both Sexes, are gone with the King's Permiſſion to Stockholm, in order to ſee the Ceremony of the Coronation of their Swediſh Majeſties. A few Days ago one of our Ships arrived here from Saffia, by which we received an Account of the Methods that are taking there for increaſing our Commerce with the Barbary Coaſt, which 'tis computed will now be ſoon put in ſuch a flouriſhing Condition, as to produce yearly to this Kingdom at leaſt a Million of Germany Crowns.

Berlin, Oct. 5. The Ceremony of the Marriage of M. Marſchalls, eldeſt Son of the late Privy Counſellor of that Name, with one of the Daughters of Count Podewils, his Majeſty's Prime Miniſter, was performed here Yeſterday with great Magnificence; to which almoſt all the Nobility in Town were invited and aſſiſted. We have received Advice by the laſt Poſt from Sileſia, that a Fire broke out on the 27th of laſt Month in the little Town of Sulau, which burnt with ſuch Violence, that the greateſt Part of the Houſes were conſumed before it could be extinguiſhed.

Frankfort, Oct. 6. The Landgrave of Heſſe Darmſtadt, accompanied by a numerous Retinue, paſſed by here laſt Saturday for Gieſſen, to which Place he was going in order to take the Diverſion of Hunting in the Foreſts in that Neighbourhood. We have already began the Vintage in ſeveral Places; and as we have had very fine Weather for theſe eight or ten Days paſt, 'tis hoped the Wines will prove much better than were expected.

Wetzlar, Oct. 8. Laſt Monday being the Feaſt of St. Francis, whoſe Name the Emperor bears, the ſame was celebrated here with great Magnificence. On this Occaſion a general Diſcharge was made in the Morning of the Cannon upon the Ramparts. At Noon all the Members that compoſe the Imperial Chamber went in a Body to the principal Church of this City, and aſſiſted at Te Deum which was ſung to Muſick; during which another Diſcharge was made of our Artillery; the Citizens, who were under Arms, making at the ſame Time ſeveral Diſcharges of their Small Arms. After Divine Service the Prince of Hohenlohe Bartenſtein gave a ſumptuous Entertainment to the Members of the Imperial College, of one hundred Covers; which was followed by a Ball that laſted till Midnight.

Bruſſels, Oct. 14. Prince Charles of Lorrain, our Governor General, is expected here from Vienna about the 25th or 26th of this Month, when 'tis ſaid ſome Affairs of Importance will be brought on the Carpet.

Hague, Oct. 18. The States of Holland and Weſtfrizeland have continued To-day their Deliberations; as have likewiſe the Deputies of the ſeveral Colleges of the Admiralty of this Country. The Duke of Brunſwick Wolfembuttel is daily expected here from his Government of Bois-le-Duc.

However, Preſident, Burghmaſters and the Supreme Court of Juſtice in the Imperial City of Bremen, by ſubmiſs Supplication of the reſpective Heirs and Grand-Children of Mr. Gert Henrichs, to wit, Franſiſca Juliana Raaken, Wife of Mr. John Bödeker, and Anna Raaken, Wife to Mr. John Chriſtian Wigands, and Mr. Gerhard Möller, through a publick and open Edict of the 16th of April paſt, of this current Year, has cited and provoked Mr. Henrich Henrichs, or in cauſe he ſhould be deceaſed, his legitimate Heirs, or their or his legitimate Attorney, to be preſent here in Bremen at the 13th of September paſs'd, and to appear at ſuch a prefixed and appointed Day before ſame aforeſaid Supreme Court of Juſtice, to give an Account of his long Abſence, as well as an Account of all the Papers and Inſtruments concerning his dead Father, and the Money he hath taken in Hands after his dead Brother in Holland Mr. Nicol Henrichs, with all the Dependencies to this Affairs, directly or indirectly concerning: Beſides this, it was in the ſame aforeſaid Citation intimated, that if Mr. Henrich Henrichs, or his Heirs or Attorney, ſhould be in Neglect to appear, the Inheritance which is here at preſent to be diſtributed, ſhould be divided to the other Heirs here preſent: Nevertheleſs none of the reſpective Incumbents, neither Mr. Henrich Henrichs, his Heirs or Attorneys, have appeared here at the prefixed Day the 13th of September.
